

# VOLUNTEER SPIRIT

As in-person events reopened, our staff volunteers were ready to get in on the action. From beach cleanups on the Oregon coast to the United Way Day of Caring in Castle Rock, our staff showed their generosity by donating over 1,425 hours of their time to great local events.

## TEACHER APPRECIATION

## HELPING OUR FURRY FRIENDS

We've pledged to donate \$5 to the nearest Humane Society or animal shelter for each youth account we open. Our combined \$5,000 in donations supported Humane Societies and animal shelters in five counties.

## HOLIDAY SPIRIT

We partnered with multiple organizations across our service areas to brighten the holidays for local children. We supported Christmas Tag programs in six counties, in addition to separate toy drives and food drives for families in need.

## DEPARTMENT DONATIONS

We empowered each financial services center and department with a donation budget that could be used to make a big impact in the community. Donation funds were used to support student supply drives, youth sports, emergency support shelters, animal shelters, and a variety of other acts of goodwill.

This resulted in \$3,011 worth of meaningful donations that were close to our employees' hearts and made a big impact across our service areas.

## INTERNATIONAL CREDIT UNION DAY

On October 21, we celebrated #CreditUnionGood once again by giving each employee \$10 and a special pay-it-forward card to brighten someone's day with a random act of kindness. From helping buy a stranger's groceries to making hospitality gift bags for the homeless, our employees performed hundreds of kind acts that exemplified the credit union spirit of people helping people.
