3. Online Banking Service Limitations - The following limitations on Online Banking transactions may apply:

1. Transfers - You may make funds transfers to your other accounts as often as you like. However, transfers from your savings or money market accounts will be limited to a total of six (6) in any one month. The Credit Union reserves the right to refuse any transaction that would draw upon insufficient or unavailable funds, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. The Credit Union may set other limits on the amount of any transaction and you will be notified of those limits.

2. Account Information - The account balance and transaction history information may be limited to recent account information involving your accounts. Also, the availability of funds for transfer or withdrawal may be limited due to the processing time for any ATM deposit transactions and our Funds Availability Policy.

3. E-Mail - You may use the e-mail to send messages to us. E-mail may not, however, be used to initiate a transfer or stop payment order on your account. The Credit Union may not immediately receive E-mail communications that you send and the Credit Union will not take action based on E-mail requests until the Credit Union actually receives your message and has a reasonable opportunity to act. If you need to contact the Credit Union immediately regarding an unauthorized transaction or stop payment request, you may call the Credit Union at the telephone number set forth in Section 4.

4. Member Liability - You are responsible for all transfers you authorize using the Online Banking services under this Agreement. If you permit other persons to use your security code, you are responsible for any transactions they authorize or conduct on any of your accounts. However, tell us at once if you believe anyone has used your security code and accessed your accounts without your authority. Telephoning is the best way of keeping your possible losses down. For Online Banking transactions, if you tell us within two (2) business days, you can lose no more than \$50 if someone accessed your account without your permission. If you do not tell us within two (2) business days after you learn of the unauthorized use of your account or security code, and we can prove that we could have stopped someone from accessing your account without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows Online Banking transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may be liable the full amount of the loss if we can prove that we could have stopped someone from making the unauthorized EFT transactions. If a good reason (such as a hospital stay) kept you from telling us, we may extend the time periods. If you believe your security code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call: (360) 423-8750 Monday - Friday 9:00 am (PST) to 5:30 pm (PST); Saturday 9:00am (PST) to 4:30pm (PST) or contact us using the email form on our [contact us page](#).
